Tinder is Named Best Place to Work Based on Employee Reviews

Earns Spot on Comparably's Top 25 Companies in LA List

Los Angeles, Calif. - April 9, 2021 — Tinder has been named toComparably's 2021 Best Workplaces in Los Angeles list. The annual award is based on aggregate responses from current employees over the past 12 months.

"We're honored to receive this recognition for workplace culture because it comes directly from our employees, and they are the reason we can offer a rewarding and collaborative culture," said Lina Alcala, SVP of People at Tinder. "This has been a tough year for employees everywhere so knowing that our employees felt supported these past 12 months is particularly important to us."

Comparably awards are derived from sentiment ratings provided by employees who anonymously rate their employer throughout the year. Winners are determined based on a series of 50+ structured and comprehensive workplace questions in nearly 20 core culture categories, including: Work-Life Balance, Professional Development, Leadership, Compensation, and Perks & Benefits.

"The Best Places to Work in Los Angeles recognizes companies that employees have rated as top-notch," said Comparably CEO Jason Nazar. "Tinder's place on this list is a testament to the leadership team's commitment to creating and maintaining great company culture, despite the challenges of the pandemic."
